

Dear Readers,

It is a great honor for us to publish first issue of Journal of Characterization (JCHAR).

Journal of Characterization (JCHAR) is a multi-disciplinary, peer- reviewed, open access journal which provides a scientific platform for presenting and discussing new trends and issues in science and engineering. It is an international journal intended for professionals and researchers in all fields of science and engineering. The journal publishes original researches, surveys and review articles of all the disciplines of engineering and life sciences and it comprises comprehensive leading and current trends in science and engineering. The journal is an online refereed academic journal that adheres to the highest standards of peer review and engages established and emerging scholars from anywhere in the world, and welcoming any contributions all kinds of scientific works in any disciplines of science and engineering.

Wishing you a productive and pleasurable 2021,

Yours faithfully,

Prof. Dr. Atilla Evcin, Editor-in-Chief
